Dr. Robert C. Hockett
Research Director
The Council for Tobacco Research-U.S.A., Inc.
110 East 59th Street
New York, NY 10022

Dear Dr. Hockett,

We are most grateful for your extremely generous donation of \$2500.00 for our international symposium on "Central Neural Production of Periodic Respiratory Movements." We find your conditions for the expenditure of the grant reasonable, and assure you that no part of the grant will be used for support of conference participants from private industry. The funds contributed by The Council for Tobacco Research will be used for partial reimbursement of travel expenses, residence fees, and other relevant expenses including publication costs.

We are most appreciative of your support for our symposium, and will inform you of all developments concerning our program. In addition, we are pleased that Dr. Donald Ford, Associate Research Director, will be able to participate in this important symposium.

Sincerely,

Jack L. Feldman, Ph.D.
Associate Professor
Physiology and Anesthesia
Symposium Chairman
